## **JUSTIFICATION NO ON ALTERNATIVE ROUTE**

This is justified that, the among the three alternative routes for construction of new 110 KV lilo line of 10.235 Km on DC towers from 110 KV Guledagudda- Ilkala line to proposed 110 KV/11 KV Nagaral SP Sub station corridor of in sy no. 09 (0.428 Km) in Sabalhunasi Village in Gulegdagudda taluk, Bagalkot district in Favor of Executive Engineer, Magor works division, Bagalkot

Route 01 length of 10.235 Km is having the Shortest (least) forest area, comparing to other two routes

Hence this route one is selected

  
Executive Engineer, (Elec).  
Major Works Division.  
KPTCL, Bagalkot.
