Date 09/10/2020

To

Sh. Ranbir Singh s/o Sh. Swadesh Singh,
Ward no.4, Village Kandwal,
Tehsil Nurpur, District Kangra.

Subject: Clarification regarding requirement of Environmental Clearance for the project namely Pattaya Beach Eco Huts at village Chamror Patan H.B.No. 402, Khasra No. 611, 613, Tehsil Dhar Kalan Forest Division, District Pathankot.

In reference to your application on the subject cited matter, it is intimated that the subject cited matter was considered by the SEIAA in its 170th meeting held on 16.09.2020 and it was observed that the applicant has proposed to develop the project with the area 4 Kanal 7 Marla (2200.48 sqm) and the total built-up area with parking 0/8.15 sqm, which is far less than the threshold limit defined for obtaining Environmental Clearance in the EIA Notification, 14.09.2006.

Thus, the proposed project namely Pattaya Beach Eco Huts at village Chamror Patan H.B.No. 402, Khasra No. 611, 613, Tehsil Dhar Kalan Forest Division, District Pathankot does not attract the provisions of EIA notification, 2006 as amended from time to time. However, the project proponent is required to obtain NOC from the Forest Department before initiating any construction activity related to the project.

After detailed deliberations, SEIAA decided that the project proponent be informed accordingly.

This is for your information.
