**(Proposal No - FP/OR/MIN/49169/2020, State Serial No - OR-058/2020, dated-12.10.2020)**

Ref: - Your Memo No.10522 / 6F - (mg) dated - 13.12.2021

Sir,

With reference to above cited letter, we are complying herewith the discrepancies noticed at your end in our diversion proposal. The point wise details are as follows: -

1. The project proponent M/s TATA Steel BSL Ltd, has applied permission under Section-2 (iii) of Forest (Conservation) Act, 1980 over 42.608 Ha of forest land (16.658 Ha in Keonjhar Forest Division and 25.950 Ha in Bonai Forest Division). The above proposal has already been forwarded to Govt. of Odisha, FE & CC Dept. for permission under Section-2(iii) of Forest (Conservation) Act, 1980 vide this office memo No. 19325 dated - 15.11.2021. The UA may be advised to submit proposal under Section-2(ii) of FC Act, 1980 instead of under Section-2 (iii) and 2(ii) both.

As per instruction of the Nodal Officer, we have applied for diversion of 42.608 Ha of forest land (16.658 Ha in Keonjhar Forest Division and 25.950 Ha in Bonai Forest Division) under section 2(ii) of F C Act 1980 and accordingly, we have changed the Form - A, Part-I and Project Details, which is enclosed in the Forest Diversion Proposal.

2. As per para-7.9 of Chapter-7 of Handbook of Guideline dated 28.03.2019, all mining projects are required to have a 7.5-meter-wide peripheral SZ within the mining lease area. But in this instant proposal, the UA has applied for diversion of 24.802 Ha forest land under Section-2(ii) of FC Act, 1980 excluding SZ area of 1.148 Ha in case of Bonai Division which is contradictory.

As per instruction of the Nodal Officer, we have applied for diversion of 25.950 Ha in Bonai Forest Division) under section 2(ii) of F C Act 1980 and accordingly, we have changed the Form - A, Part-II and Project Details, which is enclosed in the Forest Diversion Proposal.
