Subject: - Proposal for diversion of forest land for Up-gradation & Maintenance of Road from L049- Shiva to Kharma in kamraj Forest Division.
Ref: Proposal No.FP/JK/Road/49090/2020

Sir,

In reference to above quoted subject the proposal is upgradation of existing road, the tentative forest area at the time of proposal up-dation on PARIVESH was 1.02 Ha. After joint inspection with concerned forest officials the actual forest area coming under the alignment of road is 1.905 ha and same has been updated in proposal on PARIVESH. Also, the area of entire width of road including the existing width has been included in the proposal.

Yours Faithfully
