FibApplication for issuance of NOC for installation of petrol pump in my proprietary land measuring 8 Marlas, 4 kanals 6 marlas, 11 marlas (total 5 kanals 05 Marlas) comprising in Khasra No. 667/599min situated at Maha Tehsil and District Kathua.

Respected Sir,

It is submitted that I purchased land measuring 8 Marlas, 4 kanals 6 marlas, 11 marlas (total 5 kanals 05 Marlas) comprising in Khasra No. 667/599min situated at Maha Tehsil and District Kathua by virtue of Sale Deeds and mutation in land revenue record was also recorded in my name. The said land is in peaceful possession since the date of purchase and a tin shed measuring 35xx17' is constructed on the said land. However, I have approached the J&K Forest Department for issuance of NOC for installation of petrol pump in my above land.

The Divisional Forest Officer, Kathua Forest Division vide letter No. KFD/2021-22/1800-01 dated 02-08-2021 has issued certificate that approx.

aerial distance from the nearest Demarcated forests boundary is 2.86 Kms from Comptt. No. 18/K in North direction.

However, the Deputy Commissioner concerned has asked NOC from your department instead of distance from the demarcated forests.

The land is under my ownership, however, the type of land on the papers has been shown gair mumkin jhar. I approached the DFO Kathua for issuance of NOC, he suggested me to apply on PARIVESH portal. I applied on the PORTAL and proposal No. FP/JK/Others/153306/2022 was created.

The Deputy Commissioner Kathua vide letter No., DCK/SQ/2022-23/7304-06 dated 10-08-2022 has confirmed that I am the owner and in possession of the said land. The type of land is Gair Mumkin Jhar and on spot no bushes/tree and a gair mumkin tin shed measuring 35'x17 has constructed.

I am agreed to pay the compensation assessed by the Forest Department for my ownership land for installation of petrol pump on the said land.

In view of the above, it is requested to kindly issue NOC/forest clearance in my favour.

Yours faithfully
