

OFFICE OF THE ASSISTANT ENGINEER
RURAL DEVELOPMENT DEPARTMENT
GOVERNMENT OF SIKKIM
JORETHANG.

TO WHOM IT MAY CONCERN

Justification for construction of PMGSY road from SPWD Melli Road to Melli Kerabari Zero (MGNREGA), under Mellidara-Paiyong GPU (Kerabari Revenue Block), in South Sikkim. The sanctioned scheme requires forest clearance as it passes through Government Gaucharan.

This project falls in the South district of Sikkim. This road will connect kerabari village and kerabari Secondary School to the Melli-Turuk PWD road which finally joins the Melli Town and the National Highway-10. The proposed road is 2.46 km in length. The majority of the population are farmers and depend on agriculture. The road on completion will act as a lifeline of the people of the area for the transportation of their agricultural products to the town and help to transport their basic household amenities. It will also help them to reach the District offices, health care centers, etc. and have easier access to all facilities, which are not available in the village.
