REC/BLR/ DDG /14 -15/ 984

August 21,2015

Managing Director
CESC, Mysore

Sub: Approval of award cost for 25 sanctioned DDG projects(based on solar PV technology)
Ref: CESC/MD/CEE/EE(pROJ.)/14-15/16540-45 dated 02 Feb 2015

Sir

Adverting to the above referred letter where in it is requested to accord approval for the award cost proposal of 25 DDG projects sanctioned to CESC in Madikere, Mysore and Chamarajanagar districts of Karnataka; kindly note that monitoring committee has approved the revised cost of Rs 19.62 crores for the 25 nos DDG projects by CESC.

The details are as below.

(Rs in Crores.)

Sanctioned cost	L1 bid for capital cost	Cost of providing power	Service charges
12.62	16.89	2.64	0.83

Further , the cost of providing power(as indicated in the above table)is higher than the service charges by 1.81 crore (Rs 2.64-0.83 crore).As per DDG guidelines same may be funded out of the subsidy and hence may be treated as part of project cost. The total project cost is :-

L1 bid including service charges	Cost of providing power minus service charges	Soft cost	Total project cost incl soft cost, service charges& cost of providing power(additional)
16.89	1.81	0.086	19.62

Also please note that BPL service charges shall be limited to Rs 3000 per HH (instead of @11,443 as sought by CESC.)

Accordingly you are requested to award the project immediately so that projects are commissioned without further loss of time

You are requested to acknowledge the receipt of this letter.

भवदीय,

(पी एस हरिहरन)
