

To compensate for the land rights granted under Forest Rights Act 2006, it is proposed to recognize the rights to the same extent at the new site where their families have been rehabilitated, in order to protect their livelihood and traditional way of life.

The Protected forest land 21.790 ha required for providing to relocate villagers in lieu of land on which individual forest rights were recognized under FRA 2006 inside Navegaon National Park is proposed for diversion from gat. no. 1188 of Saundad Village Tahsil Sadak Arjuni of Gondia District.

Hence the proposal.
