Subject: NOC in respect of Dhanwan Hydro Project (0.30 MW).

Sir,

In pursuance to Principal Secretary (IPH) to the Govt. of HP Shimla letter No. IPH-B (F) 5-4/2006 dated 29-8-2007, no objection certificate is hereby granted in favour of **Sh. Bhup Raj, Village- Shandra, P.O.Jhungi, Sub.Tehsil - Nehri, Distt. Mandi (H.P).** for the execution of above project subject to the following conditions:-

1. The firm shall enter into legal agreement with the department by signing an agreement with Executive Engineer, I&PH Division Padhar.
2. That the Chief Engineer (MZ) IPH Department Mandi shall be the sole adjudicator of any dispute arising during construction as well as subsequently and his decision shall be binding on the parties.
3. In case, there is any scarcity of water due to drought or any reasons, the requirement of department shall have precedence over the requirement of this Hydro Power Project.
4. The firm shall ensure that the quantum of minimum flow of water to be released and maintained throughout the year immediately downstream of the diversion site is a threshold value of not less than 15% of the minimum inflow observed in the lean season to the main river water body whose water is being harnessed by this project. The firm shall also ensure adequate minimum environmental flow in the river below the diversion site to take care of aquatic life and ecology of the area.
5. The firm shall rehabilitate/ repair/ compensate for the IPH assets/water resource as well as Private Kuhals/Irrigation schemes/Water Supply Scheme in case these are damaged or adversely affected due to construction/operation of the project. During restoration period the arrangement for providing of water to the beneficiaries shall be made through tankers and other alternative possible arrangement by the firm.

6. Additional water requirement of the department in future in addition to the project demand will get priority over the requirement of the firm.
7. In addition to IPH Department requirement, the firm will also satisfy the requirement of private users, if any.
8. That the department will have liberty to draw water from **Uhl River** (Upstream and downstream) for construction of any water supply and irrigation scheme as and when required in future and if any schemes, source of water up and downstream the HEP get affected the executing agency will have to deposit the original cost of the scheme including its remodeling and restoration, augmentation cost, as the case may be with the department in advance so as to make these facilities available to inhabitants of affected areas(S) for which the company well have no objection.
9. The NOC is being issued with the precondition that no water supply or irrigation scheme should be affected above or down below the head weirs and above tail race. In the event of violation of any of the aforesaid terms and conditions of the NOC by the firm, the NOC shall be treated as cancelled.
