TO WHOM IT MAY CONCERN

This is to certify that, the work of construction of Jeep able (3km) road from Upper Borong PWD road to Upper Polok Dara Kharka has been sanctioned and tendered in 2018 by the department. After its tendered only 2km road was constructed by the contractor and remaining 1km road is not constructed by the contractor till date.

So, remaining 1 km road can construct by contractor in time bound as per the norms of competent department. For which, we do not have no any objections on above said matter.
