

FULL JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA
(UN AVOIDABLE OF THE FOREST AREA FOR THE PROPOSED ROAD)

The proposed road is connecting Jarlapadu habitation of Pigilam to an Grampanchayat Head quarter. The total length of this road is 2.015 km from Km 0/000-2/015 existing earthen track and from Km 0/000-2/015 which is in reserve forest. The length of 2.015 km is falling in the reserve forest area of for an extent of 0.82 hectares. This is the only route for public of Jarlapadu to reach the mandal head Quarter. At Present public is suffering acute problem particularly pregnant women, School childrens. The upgradation of this portion from km 0/000-2/015 to an All-weather road is very much essential.

Hence proposals submitted for DGPS Survey to the Principal chief coservator of Forests, guntur and permission was accorded vide Ref, RC No:11095/2016/FCA3 dt:30.07.2016 of the Principal Chief conservator of forests, Hyderabad.
