Sir,

Telesonic Networks Limited a company incorporated under the companies Act, 1956 and its wholly owned subsidiary of **Bharti Airtel Ltd.** and registration certificate for infrastructure provider category -1(IP-1) awarded by Government of India, Ministry of Communication, Department of Communications.

It is our company vision to establish internet connectivity in all the rural areas of India, so that from education to health to agriculture to other many businesses which are carried in small villages can progress at a much higher rate and remain connected to the rest of the world through internet.

We are proposed to Lay the Optical fibre cable from Siliguri to Coochbehar, this route going through Jaipalguri territorial Forests and in above said section NH -IX Highway doesn't have ROW for laying cable hence we seeking the ROW permission from forest department and we are already applied for ROW permission (our Proposal no. FP/WB/OFC/141578/2021 on <https://parivesh.nic.in>) but without your FRA certificate the ROW permission could not process.

Forest Application acknowledgment copy is attached

We are requesting to your good office kindly considers our request and issue the FRA certificate for ROW permission from Forest departments.

Thanking You
