

## SUTABILITY CERIFICATE

Certified that after the physical verification, the available balance area of 28 Acres (11.33 hectare) of non- forest land in Sy.no. 11 Nagalapur village, Vakkleri Hobli, Kolar Taluk & District, identified for Compensatory Afforestation in lieu of the diversion of 9.4 ha. & 5.4 ha (Total 14.80 ha) of Forest land for using construction of Road for Zeenath Transport company, Ballari is suitable for raising Compensatory Afforestation. Though the area is hilly terrain & consist of rocky area, the Action plan has been prepared for site specific plan in lieu of availability of Area for Afforestation and is also suitable for management point of view as it is adjoining to the Anthargange Reserve Forest, Kolar. The said land is transferred and mutated in favour of Karnataka Forest Department vide Deputy Commissioner of Kolar Order No.NLD/CR:63/2013-14 dated 04/12/2013 and 26.06.14.

Date: 23.02.2015

Place: Kolar
