Reg: - Approval of Techno Feasibility Reports for commissioning of batching plant and consumer petrol pump on forest land near Diggoll Village.

Respected Sir,

With reference to the above cited subject, we identify the land for commissioning of temporary batching plant & consumer petrol pump near village-Digdol, Tehsil & District -Ramban for execution work of the above-mentioned project.

The identify land falling in Diggdol forest Co 39/R. The land was acquired by NHAI for development of NH-44 (Now NH-1A). As per the forest department policy "The User agency and its contractor can't bring any forest area without permission of forest department". For this purpose, We have to apply on the forest department online portal "**Parivesh Portal**" for clearance of the temporary batching plant & consumer petrol pump commissioning.

Therefor, we are submitting the Techno Feasibility Report for commissioning of temporary batching plant and consumer petrol pump near Diggdol Village.

We request your good-self to please review and give us the required document for further submission to DFO Ramban for obtaining the necessary permission and approval at earliest so that we plane next activity accordingly.

Thanking you & assuring you of our best services at all.

Yours Faithfully,
For Ceigall India Limited
