**SITE INSPECTION REPORT OF SURFACE FACILITY AT
SUPHAYAM-1/SUAB OF DFO GOLAGHAT**

The proposed development of Surface facility at **Suphayam-1/SUAB** drill site are located inside Doyang Reserve Forest under Jamuguri Range was inspected by the undersigned and ONGC Officers, Chinnamora, Jorhat on **05/11/2019** and report thereof furnished as under:

The diversion area is 1.69 ha (**Suphayam-1/SUAB site**) was made available during 1997 is open Forest inside Doyang Reserve Forest. During my inspection no rare/endangered/unique species of flora and fauna was found in the area. The proposed development and drilling proposal is nonlinear project. The project aims to development of Surface facility within existing site of at Suphayam-1 drill site. No extra land is required to drill new well. FC for existing well **Suphayam-1/SUAB** drill site is available and the land is still in use by ONGC. The said Surface facility will be developed for handling of oil and gas produced from nearby oil and gas wells.

There is no wildlife present in and around the forest land proposed for development. The proposed site is not a part of National Park, Wildlife Sanctuary, Biosphere, Tiger Reserve, Elephant Corridor, Wildlife Migration Corridor etc. The proposed development site is not located at within Eco-Sensitive Zone of the Protected Area notified under Wildlife (Protection) Act. 1972 and no any water body is seen in and around the proposed site.
