**DETAILED NOTE ON THE PROJECT**

We Century Plyboards (I) Limited installing a mega composite unit to manufactured Medium Density fibre Board (MDF), Plywood & block Board at Village Daulowal, P.o Bhilkhawal, Dasuya Road, District.Hoshiarpur, Punjab. The Hoshiarpur District is well known For his high quality plantation timber. To produce MDF we will also consume Wood waste of different type like roots, lops &Tops and wood of uneven sizes which are being used as fire wood. By this project the entire area in and around hoshiarpur will be benefited a lot and will change the economic scenario of this area as (a) Farmers will get better remuneration of their produce due to constant demand (b) better Remuneration will prompt Farmers to do more and more plantation which will increase the forest cover of the state (C) Directly & Indirectly around 1600 People will get employment opportunity (d) Optimum utilisation of timber. This will be biggest Agaro wood based project of the India. The Land measuring is 12.89 ha. falling in the revenue estate of village daulowal for which the CLU has been obtained from Punjab The total project cost in this project is Rs.444 Crore approximately.

Place : Hoshiarpur.
