File No. FP/HP/ROAD/148549/2021

Date of proposal 27.11.2021.

This HPPWD road at Jangeshu to Oda included in the FCA case is situated along tourism place Kasauli which is required for local people. The road is of great importance for tourism, defense, strategic point of view and development of villagers. Hence the proposed forest land (1.0402 hectare) proposed by the user agency is unavoidable and is barest minimum required for widening of road. Hence the project is recommended.
