Subject: Diversion of 0.7995 ha of forest land in favour of M/S Seraj Hydro Power Developers House No. 123, Ward No. 4, Raghunathpur Kullu, HP for the construction of Sajla SHEP (2.00 MW), within the jurisdiction of Kullu Forest Division Distt. Kullu, HP.

Sir,

Kindly refer to your good office letter No. Ft, 48-5657/2022 (FCA) dated 25 February, 2022 on the subject cited above.

The shortcomings pointed out by your office and the point wise reply for the same as under:-

Sr. No.	Observation	Reply
1	Against A-3, the application has been filed by Shri Rajender Dass Mahant, Director House No. 123, Ward No. 4 Raghunathpur Kullu, HP whereas the authority letter uploaded against column NO. A-3 (xvii), Shri Rajender Dass Mahant, has authorized Shri Tilak Raj Thakur, Project In-charge to sign all the documents related to Sajla SHEP for online submission and hard copy on behalf of the M/S Seraj Hydro Power Developers. Hence the authority letter should be in the name of the officer concerned who has filed the application should file application on behalf of the user agency.	This is to certify that Shri Rajender Dass Mahant Director of M/s Seraj Hydro Power Developer has appointed to Shri Tilak Raj Thakur (Project In-Charge) to sign all document related to Sajla SHEP on behalf the user agency. This point has been rectified on on line portal
2	Against column No. B-2.3 in online part-I, instead of giving the village wise breakup, the name of three villages has been mentioned in a line. The village-wise break-up is required to be given and the total of village wise breakup should tally with the total forest area requirement.	This is to Certify that Khaknal/Sajla is nearby Gojra Village, actually this project falls in Gojra Village. Population Detail of the Muhal Gojra has been uploaded on the on line portal on addition information detail. The necessary correction has been made on column No. B-2.3 in online part-I.
3	In the uploaded distance certificate for the protected area, the proposed forest land is less than 10 kms for the Manali WL Sanctuary hence the comments of CWLW are required to be obtained.	We have undertaken that comments of CWLW are provided before In-Principal approval of FCA. We have applied for comments of CWLW with concern department. The undertaking and receiving copy of applied documents in this regard uploaded in addition information detail.

In view of the above, it is therefore, requested to kindly accept the reply submitted and earlier action in this matter shall be highly appreciated.

**Sub: Regarding Issue of NOC for Setting up of SAJLA(2.00MW) SHEP in Distt. Kullu ,
Himachal Pradesh.**

Respected Sir,

It is for your kind information that we have submitted the forest diversion case for construction of our Hydro project. After submission of forest case to the Forest Department the observations has been send by the department to us vide their letter No. Ft.48-5657/2022(FCA) H.P. Forest Department on dated 25-02-2022(Copy attached). As per their letter, point No. 3: in the uploaded distance certificate from the protected area , the proposed forest land is less than 10 kms from the Manali Wild life sanctuary hence the comments of CWLW are required to be obtained.

This is with reference to earlier NOC, Vide letter No. C.111/5150 Forest Department (H.P.) Dated 12-01-2021 furnished by your office(Copy Attached) ; we further required NOC from Principal Chief Conservator of Forest, Wildlife cum-CWLW, H.P Shimla.

So you are requested to process our case for issuance of NOC from their end please.

Thanks and Regards
