Sh. Mahendra Kumar Sharma

Deputy Conservator of Forest
Forest Division Alwar,
Rajasthan

Subject: Diversion of forest land for the development of 8 lanes (Greenfield Highway) from Haryana – Rajasthan Boarder near Firozpur Jhirka village (Ch. 79.394 Km) to Itawa village (Ch. 284.000 Km) in Sawai Madhopur Section of NH-148 N (Total length 204.606 Km), Under BHARATMALA PRIYOJANA Lot-4/Pkg-4 in the state of Rajasthan. **Reg- Online EDS raised by DCF, Sawai Madhopur on 30.01.2020**

Ref: Letter no. 8B/ Raj./06/02/2020/F.C./1513 dated 23.01.2020

Dear Sir,

With reference to the subjected project & reference letter, the point wise EDS compliance is given below for your reference.

S. No.	Observation	Compliance
1.	Approval letter/sanction of the competent authority for the project has to be submitted.	Project sanction letter is uploaded under additional details. (Copy attached)
2.	NOC of the concerned department (PWD/Railways etc.) has to be provided.	Proposed alignment is crossing the railway line at highway Ch: 94+305, Ch: 149+942, Ch: 212+343 & Ch: 284+000. Approved GADs are uploaded under additional details. ROW has been acquired under NH Act 1956. Concurrence from the PWD officials was taken.
3.	Availability of the road side plantation need to be provided	Total 32m ROW is available for plantations (16m LHS & 16m RHS). Additionally 22 m median also proposed for landscaping. Plantation plan is uploaded under additional details.
4.	Land suitability certificate of DFO Alwar (For CA land) has to be provided in proper format	To be amended by DCF, Alwar
5.	Alternative alignment has to be depicted on toposheet	Alternative alignment options has already been uploaded under Point “D” of PART-I. (Copy enclosed)
6.	Abstract of no. of trees proposed to be felled (division wise) has to be provided	To be provided by respective division.
7.	CA has to be proposed on non forest land since the proposal involves construction of a new road.	There is a special provision to provide the CA land on Degraded Forest Land (DFL) for the project implemented by Central Government. Refer point No. “f” Clause 2.5 of FCA Handbook, MoEF&CC 2019. (Page 48)

8.	As per Part-I in the proposed project site kml coming under Division-I Alwar Territorial, one of the kml is falling on non forest land, which need to be revised and uploaded again on the portal with DGPS map and SOI map.	There is an encroachment on the forest land proposed for diversion under Khasra no. 6, 7 & 8 in Rundhmojpur Reserve Forest Block. So it seems to be non forest land. However, the proposed land is belongs to the Rundhmojpur Reserve Forest.
9.	As per Part-I proposed project site kml coming under Division-3 Sawai Madhopur territorial some of the forest area ignored/not selected / properly digitized as per Google Earth Image dated 01.04.2019, which needs to be verified.	Forest area kml has been revised accordingly. Total area proposed for diversion is 8.3007 ha.
10.	The uploaded hyperlink under Column 13 (i) of Part-II for Compensatory afforestation is not working so kml file of the CA needs to be uploaded again.	To be uploaded by DCF level.
