Sr. No.	Query	Compliance
1.	The User Agency shall revisit the alignment and a pre-feasibility report on proposing box culvert of at least 2 x 3 mt. size at every 500 meters in forest as well as in non-forest areas for smooth movement of resident wildlife inhabiting area especially leopard shall be submitted	Noted In the diversion proposal of forest for NH-848 comprising only 3.17 Km. forest length out of 54 Km. total project length. Project started at Nashik Municipal limit (Km 11/600) and ends at state border at Km. 65/600. This 3.17 Km forest stretch scattered mainly in Saval ghat (Km. 39/900 to 41/170), Kotambi ghat (Km. 49/730 to 51/200) and rest in Borvat Private forest (350 m length) and back side of Peth village (FDCM- 40 m only). The Project scope includes the widening & strengthening of existing two lane to 2L + Paved Shoulder only. As per land observing the diversion of forest area statement, the following structures were considered in forest & nearby it. Minor bridge Km. 46/483 (Span 2 nos x 10 m), Km. 46/870 (Span 2 nos x 12.00 m - IIPC has been replaced). Major bridge Km. 54/937 (4.00 nos x 21.00 m.) and Box Culverts - Km. 39/360 (3 x 3 m.), Km. 40/168 (2 x 3 m.), Km. 40/945 (2 x 3 m.), 48/755 (4 x 4 m.), Km. 51/337 (2 x 3 m.)- At all these locations existing C.D. works have been replaced by box culvert.

Sr. No.	Query	Compliance
		Also the most of the proposed alignment in forest stretch follows to adjoining existing road which carries the traffic since 1961 (i.e. almost 60 years). Also, the alignment is not passing through any wildlife / sanctuary / wild life corridor and even there is no wild life sanctuary / national park within 10 Km. boundary of the project. Movement of any wildlife was not mentioned in site inspection report of DFO. Same site inspection report is attached herewith (Annexure-IA) Page No. 12 to 14 The detailed structure list including box culvert with size (10 box culverts with chainage) is enclosed herewith (Annexure-I)
2.	For further examination correct KML file highlighting forest area and related compartment boundaries along with location of proposed structures highlighted in different colour needs to be submitted.	If the location of Proposed structure will be included in the KML file the size of the same shall be increased and KML file bigger than 5 MB size will not be allowed to upload on Parivesh portal. However as per the requirement we have prepared the KML file highlighting forest area and related compartment boundaries along with location of proposed structures and CD of the same file is attached herewith (Annexure-II) Page No. 15
3.	Tree enumeration list submitted along with the proposal is not legible. The legible copy along with species name in English needs to be submitted.	Corrected Tree enumeration list has already been submitted with the compliance on 13-10-2021, however it is again attached with the Summery Sheet with species name in English (Annexure-III) Page No 16 to 53
4.	Complete compliance ensuring importance of Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 is not submitted along with the reply wherein resolutions of the concerned Sub-Division Level Committee(s) recording their consent for the proposal and bearing signature of the participants is not submitted. English translated copies of supporting documents in terms of consultations and meetings of the Forest Rights Committee(s), Sub-Division Level Committee(s) and the District Level Committee(s) needs to be submitted.	Complete FRA in English translation has been submitted before the REC was held, however it is again attaching the same along with the documents in terms of consultations and meetings of the Forest Rights Committee(s), Sub-Division Level Committee(s) and the District Level Committee(s) (Annexure-IV) Page No 54 to 103
