

**Himachal Pradesh
Public Works Department**

No.PW-OSDN/CB-GA/FCA/2024-25

Online Proposal No. FP/HP/ROAD/150636/2021 10619

Dated: 26-12-2024

Latter No.....

To,

✓ The Divisional Forest Officer,
Anni at Luhri Forest Division.

Subject:- Diversion of 1.9446 ha of forest land in favour of HPPWD for the construction of road from Sheguni to Bakatikather Km 0/00 to 2/950 within the jurisdiction of Anni Forest Division, Distt. Kullu, Himachal Pradesh-

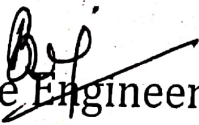

Reference: - CCF Rampur Office Later No. 4386 Dated 20-01-2024.

The case for the Diversion of 1.9446 hac of forest land is checked and corrected. The point wise reply of the observation raised by Govt of India Sub Office, Shimla (Regional Office, Chandigarh) as under-

Sr.	Observations	Reply
1.	In Part-1, A -3 (xvii), the name mentioned in the authorization letter does not match the details of the person making the application	As per the orders of the State Government, all the Executive Engineers of Himachal Pradesh Public Works Department have been authorized to obtain approval from the Forest Department for the Forest Act 1980. And it cannot be made in the name of any particular person.
2.	A Joint Inspection Report of the instant proposal may be provided	The Joint Inspection Report has been re-uploaded online in front of Part-I.
3.	The layout plan must include a legend and the proper dimensions of each component, such as Carriageway, Paved Shoulder, Earth Filling, Drain, and Protection Work, as well as an area-wise calculation. Furthermore, the forest land and non-forest land involved in the proposal must be represented in the layout plan with distinct colors and need to be duly authenticated by the concerned DFO may be provided.	The legend layout plan with proper dimensions of each component, such as carriageway, paved shoulders, earth filling, drains and protection works, along with area wise calculations and forest and non forest area in different colors has been duly authenticated by the concerned DFO. Additional Information Statement has been uploaded in column No..... of Part-I

4.	The KML uploaded under column C of Part-I online required correction on the following points:- i. The KML file of the project site uploaded doesn't have clear demarcation for forest/ non-forest areas. Hence, the KML file indicates Forest/ Non-forest areas need to be uploaded ii. A fresh KML of the instant proposal needs to be provided in the polygon form of the diversion area as the proposed area for diversion is 1.9446 ha, while the calculated area is 1.24 ha iii. Need to revise DGPS according to the revised proposed project site KML.	In this context, necessary correction has been made in KML File/ Point No (i) Point No (ii) and Point No (iii), the Fresh KML File has been uploaded in the Parivesh. Portal of Part-I.
5.	Out of 1.9446 ha area, 0.6222 ha area proposed for muck dumping which is huge in comparison with proposed area. It is noticed that plenty of NFL available in nearby area. We may request State Govt. to select non forest land for dumping purpose	Undertaking regarding select the non forest land for dumping purpose has been uploaded in the Additional Information Statement against Column No. 5..... of Part-I
6.	State Govt. need to upload Land schedule, bar chart and geologist report.	Undertaking in respect of Geological Report is uploaded in the Additional Information Statement against Column No. 6..... of Part-I
7.	As mentioned in the Site Inspection Report of the concerned DFO, the UA must adhere to conditions for the management of Muck/ Debris rolled down from the slope and accordingly may provide undertaking for the same duly c/s by the concerned DFO.	Undertaking attached in this regard duly c/s by the concerned DFO same has been uploaded in the Additional Information Statement against column No. 7... of Part-I
8.	State Govt. must ensure and prepare the conservation plan of all existing water sources/natural springs and drains within and adjacent to this site are free from interruption and contamination and the undertaking for the same may be provided.	Pertains to (Divisional Forest Officer) PART-II
9.	According to the Google Earth latest image data dated 11/2022 it seems that approx. 1.8 (ha.) is available for the new plantation/target plantation out of 1.94 (ha.). Need more vacant space i.e., 2.08 (ha.) to fulfill the target plantation	Pertains to (Divisional Forest Officer) PART-II
10.	The Status of Proposed CA land may be provided, whether it is a Govt. Wasteland is declared as PF under HP Govt. notification, 1952, or it is notified as UPF/DPF under IFA 1927.	Pertains to (Divisional Forest Officer) PART-II

Please: - Submit for favor of information and further necessary action your end

Executive Engineer,
Outer Seraj, Division.
