

UNDERTAKING ABOUT WIDTH OF TRENCH

It is certified that BSNL Ropar had applied RoW for laying Optical fiber Cable in Ropar District at 10 locations. The case was applied online vide no. FP/PB/OFC/34396/2018 and offline documents also submitted. DFO Ropar vide their letter no.FCA/1980/2019/1936 dated 13.9.19 has raised objection regarding width of trench 0.3 m instead of 0.45 m.

In this regard we undertake that while excavation of trench for laying Optical Fiber Cable the width of trench will not exceed from 0.3m.
