Sub:- Regarding increase of 0.1362 ha of non-forest land of proposed Vijayanagar pumped Storage Project of 23.3876 ha forest land diversion by M/s JSW Renewable Energy Limited.

Respected Sir,

M/s JSW Renewable Energy (Vijayanagar) Limited has submitted an online application for 23.3876 Ha forest land diversion (proposal FP/KA/HYD/152438/2022) to develop the proposed Vijayanagar Pumped Storage Project.

It is to be submitted that as per the direction of DFO Bellari, the alignment of transmission line has been shifted from survey no. 96 due to being deemed forest land resulting increase in non-forest area of 0.1362 ha i.e. earlier non forest area was 104.1612ha and now it is 104.2974 ha. We have tried to change the area even by raising ticket to NIC, MoEFCC but it is not editable. In this regard, it is requested you to kindly consider above changes in non-forest area.

Yours Faithfully,

Lalit Bora
