

FORM- 'A'

Form for seeking prior approval under section 2 of the proposals by the State Governments and other authorities

Forest (Conservation) Act, 1980.

PART - I

(To be filled up by user agency)

Sikkim State having an area of 7096 square km is a land locked State bounded by the State of West Bengal in South and by the foreign Countries in the rest. Though small in size, the State enjoys the climates ranging from tropical to alpine and is endowed by pristine mountains to valleys rich in flora and fauna. Except the road transportation there is no other mode of transportation in the State. Ralap Linku is a small village situated near the bordering town of Singtam in East Sikkim. The construction of link road will serve as a vital link for the people of Lower Ralap and Linku and the proposal will be a boon to the inhabitants and as well as for the overall socio-economic development of the area. Therefore, the need for the Construction of road from Ralap Dumping Ground to Linku Goan (Km. 0.00 to Km. 1.00) is an outmost importance.

The total land involved for Construction of road from Ralap Dumping ground to Linku is about 0.63963Ha falls in Reserve Forest.

(ii)- Map showing the required forest land, boundary of adjoining forest on a 1:50000 Scale Map:

Map on 1:50000 Scale, Survey of India Topo sheet enclosed
