Ref. No. MCL/GM/HA//Envr./2023-24/422

Dated- 08.02.2024

To,
The DFO,
Angul Division

Sub : Proposal for seeking prior approval of the Central Government under Section 2 (ii) of the Forest (Conservation) Act, 1980 in favour of Mahanadi Coal Field Limited, for non-forestry use of 193.845 ha of forest land within Mining Lease area over 1265.00 ha of Balaram Open Cast expansion (15 MTY) Coal Block of MCL under Forest Division and District Angul of Odisha State (Online Proposal No. FP/OR/MIN/59166/2020)

Ref no. - Your Memo No. 862/DRP/2023/dtd 25.01.2024

With reference to the above cited subject and letter the point wise reply to the raised shortcomings are as follows:

i. In context of observation point No. (ii) KML file along with GPS points of nodes have not been provided" Further, a map is to be attached showing the boundary.

Compliance- (i)

The KML file of the earlier diverted forest land and CA land along with the GPS Nodes is enclosed along with the plan is to be attached showing the boundary **(Attached as Annexure - I)**

ii. In context of observation point No. (iii) CA land is yet to be notified as protected forest. You are therefore required to submit PF notification after declaration of CA land as protected forest following due procedure.

Compliance- (ii)

The CA land has been mutated in favour of forest department. The RoR copy of the same is attached as **Annexure -II**. The PF notification is under progress and it will be submitted before Stage-II. Undertaking regarding declaration of CA land as protected forest following due procedure is attached as **Annexure - III**

The details of plantation expenditure (2,26,586/- in FY 1995-96) and survival percentage (79.80%) for the plantation taken up in lieu of the previous diversion of 85.201 Ha over an area of 85.2558 Ha as submitted by DFO Sundergarh Forest Division is attached as **Annexure -IV**

iii. In context of observation point No. (v) It is to be clarified why biologically reclaimed land has not been handed over the State Forest Department. This is not addressed in the reply by the user agency. Further, you are requested to deposit an amount of: Rs 10,46,77,0971- towards the cost of NPV for earlier approved area of 85.201 ha vide Ministry's letter dt. 28.09.1990 for Kalinga OCP {now Balaram OCP} Coal mining demand letter has been sent vide this office letter No. 580 dt. 16.01.2024.

**MCL****Compliance- (iii)**

As per the new Mining Plan of Balram OCP Expansion 15 MTY the OB will be dumped in the Old quarry in the initial years of the mining. Till now, out of total 85.201 Ha Forest land 13.42 Ha land has been biologically reclaimed. The decoaled and reclaimed forest land within mine lease present in small and scattered patches (**Plan Attached as Annexure- V**). Therefore, it is not suitable to handover the biologically reclaimed area over the diverted forest land to the State forest department at this stage.

Undertaking to deposit the cost of NPV amounting to Rs 10,46,77,097/- for earlier diverted area of 85.201 ha vide Ministry's letter dt. 28.09.1990 for Kalinga OCP (Now Balram OCP) has been submitted along with our letter no. MCL/GM/HA/Envnt./2023-24/23 dated 21.01.2024 (**Copy of Undertaking attached as Annexure VI**).

The NPV amount is already approved by the MCL. As the payment is against the earlier diverted forest land the process for the payment is yet to be confirmed by the state forest Department.

iv. In context of observation point No. (vi) CA land outside notified DFL is required. CA scheme along with DGPS map etc. may be submitted.

Compliance- (iv)

The forest diversion proposal for 193.845 Ha was submitted on the online portal on 03.12.2020. The Stage-1 approval for Utkal-E Coal Block of M/s NALCO in Angul District dt. 12.03.2021. CA land against 193.845 Ha notified DFL was identified in Dhenkanal district for the proposal before the submission of online proposal and the Stage -I approval for the Utkal- E Coal Block of M/s NALCO in Angul District dated 12.03.2021.

A letter vide no. CIL/CH/4391 dated 05.02.2024 to Director General of Forest & Special Secretary, MoEF&CC from Chairman Coal India Limited regarding the consideration of DFL identified in Dhenkanal district has been written. (**Attached as Annexure - VII**) With respect to the CA land identified in Dhenkanal division, a letter from DFO Dhenkanal stating that no plantation has been taken up in the identified DFL in Dolia and Anantapur RF during last 10 years (Letter No. 5728 dated 11.07.2023) had been submitted. (**Attached as Annexure - VIII**)

Balram OCP has already given a proposal stating that within 10 years from grant of forest clearance, Balram OCP will hand over non-forest afforested land equivalent to the forest area proposed for diversion i.e. 193.845 Ha. in MCL mines area of Odisha. Balram OCP has furnished an undertaking duly signed by the DFO, Angul wherein it was undertaken to hand over the exact extent of afforested non-forest land against the proposed forest land for diversion within 10 years of getting Stage- II approval of the applied project.

The details of the non-forest land to be handed over in favor of Forest Department before and after Stage II (Plan and KML submitted vide letter no. MCL/GM/HA/Envnt./2023-24/23 dated 21.01.2024) is as follows:

**MCL**OFFICE OF THE GENERAL MANAGER HINGULA
AREA

PO: N.S. NAGAR, PIN-759148

Dist: Angul (Odisha), Ph No-(0670)265350

महानदी कोल्फील्ड्स लिमिटेड (भारत सरकार का उद्यम)

Before Stage -II	20.8 Ha
After Stage -II	173.045 Ha
Year	Area (Ha)
1 st	10.000
2 nd	10.000
3 rd	10.000
4 th	14.000
5 th	14.000
6 th	17.200
7 th	20.000
8 th	25.000
9 th	25.000
10 th	27.845
Total	193.845 Ha

v. In context of observation point No. (viii) As per para 7.9 of FCA guideline, the mining proposal for which diversion of forest land have been approved before 27th May 2015, the UA shall take the approval of forest land in the Safety Zone, if not already taken. Detailed status of any such approval needs to be provided.

Compliance- (v)

As per the Forest Clearance total 85.201 Ha of forest land was diverted for the non-forest purpose and there is no mention of safety zone. To keep the safety zone within the mining lease area and its regularization Balram OCP has proposed 7.5 m width of safety zone in total mining lease area of both the existing and proposed only which is also marked in the Plan for safety zone already submitted vide letter no. MCL/GM/HA/Envl./2023-24/418 dated 27.12.2023. The Land schedule of the proposed safety zone of the existing project is attached as **Annexure -IX**.

Submitted for necessary action please.

Yours Faithfully

Memorandum

/Misc. Dated:-

To

The Divisional Forest Officer
Sundargarh Division

Subject: Alienation of Govt. non-forest land in favour
of Forest Department in lieu of forest land
diverted for Kalidaga OSP

I am to inform you that the following non-forest
land has been alienated in favour of the Forest Department
by the Collector, Sundargarh vide his O.O. No. 7199 dt. 29.11.95.
The said area had been taken over possession in advance on
20.01.93 and plantation has been raised over the entire area
during 1994-95 and 1995-96.

Subject: Concerns regarding requirement of equivalent non-forest land for Compensatory Afforestation in ongoing forest proposals of Coal India subsidiaries.

Dear Sir,

Coal India Limited has been mandated to produce 1 BT coal by 2025-26 for ensuring the energy security and contributing towards Atma Nirbhar Bharat by reducing coal import and saving precious foreign exchange for our country.

Coal mining being site specific activity, requires forest and non-forest (tenancy and Govt) land. In case of forest land being involved in the project, prior forest clearance from MoEF&CC is mandatory. As per 1BT program of CIL, forest clearance of about 14,600 Ha of land is required to be taken.

After promulgation of Van (Sanrakshan Evam Samvardhan) Rules 2023, CiL mining projects seeking forest clearance are required to provide non-forest land for Compensatory Afforestation (CA), whereas earlier, PSUs were facilitated by providing degraded forest land for the purpose of CA. In this regard the following points are submitted for kind appreciation and consideration:

- Forest diversion proposals are being submitted online on PARIVESH Portal since July, 2014.
- For proposals submitted prior to 28.06.2022, Forest (Conservation) Rules 2003 are applicable. These rules require double degraded forest land for CA. The degraded forest land double in area is identified by State Forest Deptt who also issue the Site Suitability Certificate.
- With effect from 28.06.2022, Forest (Conservation) Rules 2022 came into force. These rules require equivalent non-forest land instead of double degraded forest land for CA.
- In continuation, PARIVESH 2.0 was introduced.
- There is a MoEF&CC guideline dated 18.07.2022, which says that provisions of Forest Rules 2022 shall not be applicable for the proposals which were accepted by ED/ Nodal Officer before 28.06.2022 and they will be guided by provisions of Forest Rules 2003. (Refer Annexure-I)
- With effect from 01.12.2023, Forest (Conservation) Rules 2022 have been replaced by 'Van (Sanrakshan Evam Samvardhan) Rules 2023' wherein the clause of CA is kept the same. (Refer Annexure-II)

In the above backdrop, there are several forest diversion proposals of CIL subsidiaries that have already received the acceptance at the level of ED/ Nodal Officer prior to 28.06.2022. For these proposals, double degraded forest land for CA has been identified, DGPS/ KML prepared, and Site Suitability Certificate has been issued by State Forest Deptt. Further, some of these

proposals were also recommended by State Govt to MoEF&CC wherefrom EDS/ queries were raised which are under compliance.

In a recent instance, MoEF has imposed the requirement of equivalent non-forest for CA in Stage-I condition although these proposals were accepted by ED/ Nodal officer before 22-06-2022 and recommended to MoEF with provision of double degraded forest upon completion of due formalities viz. DGPS/ KML, CA scheme including 10-year maintenance, and Certificate of Suitability of identified site(s) given by DFO. Ideally, these proposals should have been governed under MoEF&CC guideline dated 18.07.2022 (Refer Annexure-I) and as such, double degraded forest should have been accepted for CA. The details are as under:

Name	Date of acceptance by ED Nodal	Double degraded forest identified	Site suitability given for CA site	Date of issuance of Stage-I	Condition put forth
Amrapali OCP (431.59 Ha) (Anx-III)	28.01.16	865 Ha	Yes	21.12.2023 vide 8-48/ 2008- FC- (vol)	CA over equivalent non-forest land i.e. 431.59 Ha, shall be provided by User Agency
Amrapali Rail siding (120.61 Ha) Linear (Anx-IV)	23.01.19	241.2 Ha	Yes	17.01.2024 vide FP/JH/ RAIL/36506 /2018/50	CA over equivalent non-forest land i.e. 120.61 Ha, shall be provided by User Agency
Nigahi OC (229.348 Ha) (Anx-V)	15.04.21	500 Ha	Yes	29.12.2023 vide F.No.8- 26/2015- FCVol.	CA over equivalent non-forest land i.e. 229.348 Ha, shall be provided by User Agency
Balram Open Cast Expansion (193.845 Ha.) (Anx-VIII)	25.03.21	387.332	Yes	File No 8- 143/1989- FC(Vol)	"CA land on notified DFL may not be accepted."

Based on above, there is likelihood of imposition of equivalent non-forest land for other ongoing stage-I proposals as well. Taking the 2023 Rules as basis, forest department is insisting on identification of equivalent non-forest land for proposals lying at their end.

This will not only make our earlier efforts of identifying CA land (double degraded) in vain, but more importantly, will call for identification of equivalent non-forest for CA purpose.

For reference, a list of ongoing forest proposals getting impacted due to the requirement of equivalent non-forest land in Coal India Limited (CIL) is attached at Annexure-VI.

The matter was discussed in meeting to review the status of EC and FC proposals held on 30.01.2024 under the Chairmanship of Secretary (Coal), GoI. Responding to the matter, MoEF&CC official informed that a clarification in this regard has been issued on 27.12.2023 (Annexure-VII). The relevant part of aforesaid clarification is as under (Refer Annexure-VII)

"In case of proposals which have only been recommended for grant of 'In principle' but approval of the same has not yet been granted, may have slight changes in the conditions specially with regards to the compensatory afforestation"

This affectively means that even for the proposals recommended for Stage-I by FAC/ REC, the new condition of equivalent non-forest land will apply even though double degraded forest for CA is part of such proposals. Further, the clarification is silent on those ongoing stage-I proposals which have undergone the acceptance of ED/ Nodal Officer before the cut-off date of 28-06-2022.

Therefore, it is requested that in view of the Guideline dated 18.07.2022 (Annexure-I), wherein it is stated that the proposals which were accepted by Nodal Officer before 28.06.2022 will be guided by Forest (Conservation) Rules 2003 (that requires double degraded forest for CA), And since these are ongoing proposals that have traversed a long path including CA land identification and are presently under active consideration at various levels of State Forest deptt, double degraded forest land may be accepted for these proposals. Requirement of equivalent non-forest land for CA may be adopted for new proposals or proposals which have not yet received the acceptance at the level of ED/ Nodal Officer. This way, the requirement of equivalent non-forest land will have a prospective effect.

CIL understands the importance of compensatory afforestation in mitigating the environmental impact of mining projects. In the same line, Subsidiaries of CIL have already identified more than 3000 Ha of non-forest land as ACA and submitted around 1160 Ha land to State forest departments. Further, CIL is committed for identifying additional land for the said purpose and propose it for CA wherever feasible.

In view of above, it is requested to kindly look into the matter for reconsideration of the decision and continue with the use of already identified degraded forest land for compensatory afforestation for the proposals already initiated registration in PARIVESH 1.

With kind Regards,

Yours sincerely

(P.M. Prasad)

Subject: Applicability of the Forest (Conservation) Rules, 2022- reg.

Madam/Sir,

I am directed to refer to the above mentioned subject and to inform that the Ministry has notified the Forest (Conservation) Rules, 2022 on 28.06.2022 (copy enclosed) wherein new provisions and procedures have been introduced for the processing of the proposals received from various user agencies for prior approval under the Forest (Conservation) Act, 1980. In the aforesaid context, the following is clarified:

- i. Provisions of Forest (Conservation) Rules, 2022 shall apply to the proposals submitted online through Parivesh portal and which have not been accepted by the Nodal officer before 28.06.2022. The Guidelines issued by the Ministry in the Handbook of Forest (Conservation) Act, 1980 dated 28th March, 2019 and the Guidelines issued thereafter separately, from time to time, after 28th March 2019 shall apply to such proposals to the extent they are not inconsistent or contrary to the Forest (Conservation) Rules, 2022.
- ii. Provisions of Forest (Conservation) Rules, 2003 shall apply to the proposals submitted online through Parivesh Portal and which have been accepted by the Nodal Officer before 28.06.2022.

NOTIFICATION

Annexure-II
Page-1

New Delhi, the 29th November, 2023

G.S.R. 869(E).—In exercise of the powers conferred by sub-section (1) of section 4 of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 (69 of 1980) and in supersession of the Forest (Conservation) Rules, 2022, except as respects things done or omitted to be done before such supersession, the Central Government hereby makes the following rules, namely:—

1. Short title, extent and commencement.—(1) These rules may be called the Van (Sanrakshan Evam Samvardhan) Rules, 2023.

(2) They shall come into force on the 1st Day of December 2023.

2. Definitions.—(1) In these rules, unless the context otherwise requires, -

- (a) "accredited compensatory afforestation" means a system of proactive afforestation to be used for obtaining prior approval under sub-section (1) of section 2 of the Adhiniyam.
- (b) "Adhiniyam" means the Van (Sankashan Evam Samvardhan) Adhiniyam, 1980 (69 of 1980);
- (c) "Advisory Committee" means the Advisory Committee constituted under section 3 of the Adhiniyam;
- (d) "compensatory afforestation" means afforestation done in lieu of the diversion of forest land for non-forest purpose under the Adhiniyam;
- (e) "compensatory levies" includes all money and funds specified in clauses (iii) and (iv) of sub-section (3) of section 4 of the Compensatory Afforestation Fund Act, 2016 (38 of 2016);
- (f) "Conservator of Forests" means Conservator of Forests, Chief Conservator of Forests, the Regional Chief Conservator of Forests or an officer equivalent to Conservator of Forests appointed by the State Government or Union territory Administration to hold the charge of a forest circle having jurisdiction over the forest land for which the prior approval of the Central Government is required;
- (g) "Deputy Director General of Forests (Central)" means head of the Regional Office appointed by the Central Government;
- (h) "dereservation" means an order issued by the State Government or Union territory Administration or any authority thereof, for change in the legal status of a land statutorily or otherwise recognised as forest to any other category of land;
- (i) "diversion" means an order issued by the State Government or Union territory Administration or any authority thereof for the use of any forest land for non-forest purpose or assignment of a lease of any forest land for non-forest purpose;
- (j) "District Collector" includes Deputy Commissioner, to hold the charge of the Administration of the revenue district having jurisdiction over the forest land for which the prior approval of the Central Government under the Adhiniyam is required;
- (k) "Divisional Forest Officer" means Divisional Forest Officer, Deputy Conservator of Forests or an officer equivalent to the Divisional Forest Officer or Deputy Conservator of Forests appointed by the State Government or Union territory Administration to hold the charge of a Forest Division having

- (8) The proposals received under sub-rule (1) shall be examined by the Regional Office and after enquiry, the Regional Office may grant approval or reject the same by recording the reasons thereof;
- (9) The proposals involving whole or part of forest land bearing a canopy density of 0.4 or more or proposals involving clear-felling of forest land of size more than twenty hectares in plains and ten hectares in hills irrespective of canopy density, shall be forwarded to the Regional Empowered Committee and the Regional Empowered Committee shall deal in the manner specified under these rules and while examining the proposal, the Regional Office shall ensure that the final decision is in conformity with the National Working Plan Code, the National Forest Policy and with preamble of Adimiyam for conservation and augmentation of forests.
- (10) For the purpose of these rules "clear-felling of forest land" means removal of all natural vegetation in whatever form occurring, by felling, uprooting or burning them and removing them from the forest land over one hectare in size or more, but other types of felling of trees of specified size or species, including their selection felling or coppice felling shall not be considered as clear felling.

13. Creation of Compensatory Afforestation.— (1) The user agency shall provide land which is neither notified as forest under the Indian Forest Act, 1927 (16 of 1927) or any other law nor managed as forest by the Forest Department and it shall also bear the cost of raising compensatory afforestation over such land and the requirement of Compensatory Afforestation land shall be as per the Schedule-II annexed to these rules:

Provided that in case the non-forest land or portion thereof provided by the user agency is not fit for raising compensatory afforestation of a specified density, then additional compensatory afforestation shall be raised on a degraded notified or unclassified forest land under the management control of the Forest Department which is twice in size of such shortfall in the given compensatory afforestation land and the user agency shall also bear the additional cost on such account:

Provided further that if the non-forest land being made available for compensatory afforestation already bears vegetation of 0.4 canopy density or more, there shall not be an additional requirement of planting of trees on such land but a programme for improvement of the forest crop shall be implemented by the Forest Department in a time-bound manner:

Provided also in exceptional circumstances when the suitable land required for compensatory afforestation under this clause is not available and the certificate to this effect is given by the State Government or Union territory Administration, as the case may be, the compensatory afforestation may be considered on degraded forest land which is twice in extent to the area proposed to be diverted in case of the Central Government agencies or Central Public Sector Undertakings on case to case basis:

Provided also in exceptional circumstances when the suitable land required for compensatory afforestation under this clause is not available, and the certificate to this effect is given by the State Government or Union territory Administration, as the case may be, the compensatory afforestation may be considered on degraded forest land which is twice in extent to the area proposed to be diverted in case of State Public Sector Undertakings for captive coal blocks on case to case basis:

Provided also in case the user agency acquires any non-forest land for the execution of the project, the exceptions in case of Central Government agencies, Central Public Sector Undertakings and State Public Sector Undertakings as above shall not be applicable.

- (2) The specified density for raising compensatory afforestation under this sub-rule shall be such as to develop, a forest of a minimum canopy density of 0.4 or more in the fifth year of start of compensatory afforestation operation, and the area has sufficient vegetation stock to enable it to mature into land with canopy density of minimum 0.7.
- (3) In case of non-availability of the non-forest land, the compensatory afforestation can also be raised over the following lands, which will be provided minimum double in extent of the area being diverted or difference between the forest land being diverted and the available non-forest land, as the case may be, is made available and they are notified as Protected Forests under the Indian Forest Act, 1927 (16 of 1927) or local Acts prior to 'Final' approval:
 - (a) revenue forest lands i.e. land recorded as forest in the Government records but not notified as forest under any law and not managed by the Forest Department viz. revenue lands or zudpi jungle or chhotabade jhar ka jungle or jungle-jhari land or civil-soyam or orange forest lands and all other such categories of forest lands, provided they are transferred and mutated in the name of State Forest Department;
 - (b) the degraded Unclassed State Forests in the State of Arunachal Pradesh, shall be considered for compensatory afforestation provided they are transferred and mutated in the name of State Forest Department;

New Delhi – 110003

Dated: 21st December, 2023

To

The Principal Secretary (Forests),
Government of Jharkhand,
Ranchi.

Sub: Proposal for seeking prior approval of the Central Government under section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 In favour of M/s Central Coalfield Limited for non-forestry use of 431.59 ha of forest land for Amrapali Open Cast Coal mining project in Chatra South Forest Division in Chatra District of Jharkhand State— regarding.

Sir,

I am directed to refer to the Government of Jharkhand's letter No. Van Bhumi-4/2022-1689/V.P. dated 16.06.2022 on the above subject seeking prior approval of the Central Government under section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 and to say that the proposal has been examined by the Advisory Committee constituted by the Central Government under Section-3 of the aforesaid Act.

After careful examination of the proposal of the State Government & on the basis of the recommendations of the Advisory Committee and with due approval of the competent authority, the Central Government hereby accords "*In-principle/Stage-I*" approval under section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 In favour of M/s Central Coalfield Limited in Chatra for non-forestry use of 431.59 ha of forest land for Amrapali Open Cast Coal mining project South Forest Division in Chatra District of Jharkhand State subject to fulfilment of the following conditions:

1. Legal status of the diverted forest land shall remain unchanged;
2. **Compensatory Afforestation:**
 - i. The compensatory afforestation over suitable **non-forest land**, equal in extent to the forest land being diverted i.e. 431.59 ha, shall be raised by the State Forest Department at the cost of the user agency and the work of compensatory afforestation shall start within two years of issue of order of diversion of forest land;
 - ii. The non-forest land identified for raising Compensatory Afforestation shall be demarcated by concrete pillars of suitable size and handed over, free from all encumbrances to the State Forest Department and the same will be notified

विषय:- In-principle (Stage-I) approval of Central Government under Forest (Conservation) Act, 1980 for diversion of 120.61 ha of forest land for construction of Amrapali Railway Siding for evacuation of Coal. The proposal includes the construction of Railway siding, Silo, Belt conveyor and Culvert in District Chatra of Jharkhand - reg.

महोदय,

I am directed to refer to you the Jharkhand Govt. letter No. Van Bhumi-07/2023-4129/Va.Pa./Ranchi dated 02.11.2023 on the above mentioned subject seeking prior approval of the Ministry of Environment, Forest and Climate Change under section 2 of Forest (Conservation) Act, 1980.

After due consideration of the proposal of the State Government and on the basis of decision of Regional Empowered Committee in its 69th meeting, the "in-principle" approval of Central Government, is hereby conveyed for diversion of 120.61 ha of forest land for construction of Amrapali Railway Siding for evacuation of Coal. The proposal includes the construction of Railway siding, Silo, Belt conveyor and Culvert in District Chatra of Jharkhand, subject to the following conditions and stipulations:

- (1) Legal status of the forest land shall remain unchanged.
- (2) In accordance to Rule 13 and Rule 14 of Van (Sanrakshan & Samvardhan) Rules 2023, user agency shall provide land which is neither notified as forest under relevant forest laws nor managed as forest by State Forest Department for raising compensatory afforestation.
- (3) Proposed forest land will be handed over to user agency only after adequate non-forest land for the project is handed over to state forest department by the user agency.
- (4) Compensatory afforestation shall be taken up by the Forest Department over matching amount of non-forest land in accordance to Rule 13 (1) or 13 (3) of the Van (Sanrakshan & Samvardhan) Rules 2023 and user agency shall bear the cost of raising compensatory afforestation on such land. As far as possible, a

Dated: 27th December 2023

To

The Principle Secretary (Forests),
Government of Madhya Pradesh,
Bhopal.

Sub: Proposal for seeking prior approval of the Central Government under section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980 in favour of M/s Northern Coalfield Limited for non-forestry use of 229.348 ha of forest land in compartment No. RF-272, 273 & 274 of Waidhan Range for the extension of Nigahi Open-cast Coal Mining Project under Singrauli Forest Division, Singrauli District of Madhya Pradesh State (Online No. FP/MP/MIN/140863/2021) - regarding.

Madam/Sir,

I am directed to refer to the proposal submitted by the State Government of Madhya Pradesh vide letter F-1/732/2014/10-11/2055 dated 19.05.2023, and additional information submitted vide letter No. F 1/840/2021/10-11/3842 dated 24.08.2023 on the above mentioned subject seeking prior approval of the Central Government in accordance with the section 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980. The proposal was considered by the Advisory Committee constituted by the Central Government under Section - 3 of the aforesaid Act on 18.12.2023.

2. After careful examination of the proposal of the State Government and on the basis of the recommendations of the Advisory Committee and approval of the same by the competent authority of the MoEF&CC, New Delhi, the Central Government hereby accords '*in-principle*' approval under 2 (1) (ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980, in favour of M/s Northern Coalfield Limited for non-forestry use of 229.348 ha of forest land in compartment No. RF-272, 273 & 274 of Waidhan Range for the extension of Nigahi Open-cast Coal Mining Project under Singrauli Forest Division, Singrauli District of Madhya Pradesh subject to fulfillment of the following conditions:

1. Legal status of the diverted forest land shall remain unchanged;
2. The User agency shall provide suitable non-forest land equivalent to the forest land proposed to be diverted for the purpose of compensatory Afforestation. The said land shall be transferred and mutated in the name of the forest department and notified as protected forest under the provisions of Indian Forest Act, 1927 or the State specific laws.
3. The revised OA scheme along with all relevant certificates and documents/maps shall be submitted.
4. The seasonal nala flowing from west to east and then to north, is proposed to be

All State Govt./Union territory Administrations

Sub: Processing of the ongoing proposals on PARIVESH 2.0 in light of the provisions of the Van (Sanrakshan Evam Samvardhan) Adhiniyam Rules, 2023 – reg.

Madam/Sir,

I am directed to the refer to the Van (Sanrakshan Evam Samvardhan) Rules, 2023 notified by the Central Government on 29.11.2023 and to inform that adverting to the above provisions many processing authorities, including the Regional Offices of the Ministry, have requested telephonically clarifications on the processing of the proposals which are at the advance stage of their processing but not yet granted 'in-principle' approval. In this connection, it is to inform that after deliberations on the matter in the Ministry, the following has been decided to process the proposals which are at the advance stage of their processing:

- i. Proposals which have already been submitted online on PARIVESH 2.0, processed by the processing authorities, examined or recommended by the Project Screening Committee, recommended by the State or Union territory to Regional Office or MoEF&CC, New Delhi need not to be referred back to the user agency for their re-submission as per the provisions of the Van (Sanrakshan Evam Samvardhan) Rules, 2023.
- ii. In case of proposals which have only been recommended for grant of 'in-principle' but approval of the same has not yet been granted, may have slight changes in the conditions specially with regards to the compensatory afforestation and disposal of proposals pertaining to mining, hydel, encroachment and violations. The Regional Office may proceed to grant of 'in-principle' approval to such proposals which falls within the powers delegated to the Regional Office and Regional Empowered committee as per new rules, subject to change in the conditions specially with regards to raising of compensatory afforestation, as may be applicable, in accordance with the provisions of the Van (Sanrakshan Evam Samvardhan) Rules, 2023 and submission of the supporting detail thereof along with the compliance of 'in-principle' approval.
- iii. The provisions for raising compensatory afforestation over revenue forest lands, as included in sub-rule (3) of rule 13 of the Van (Sanrakshan Evam Samvardhan) Rules, 2023 is not only for projects of Central or State

1/61068/2023

Government but for all projects irrespective of the nature of the user agency provided the same is exercised as per the provisions provided in the aforementioned provisions of rule 13.

Signed by

Yours faithfully,

Charan Jeet Singh

Dated: October, 2023

To

Additional Chief Secretary (Forests),
Government of Odisha,
Bhubaneswar.

Sub: Proposal for seeking prior approval of the Central Government under Section 2 (II) of the Forest (Conservation) Act, 1980 in favour of Mahanadi Coal Field Limited, for non-forestry use of 193.845 ha of forest land within Mining Lease area over 1265.00 ha of Balaram Open Cast expansion (15 MTY) Coal Block of MCL under Forest Division and District Angul of Odisha State (Online Proposal No. FP/OR/MIN/ 59166/2020)

Sir,

I am directed to refer to the Government of Odisha's letter no. letter No. FE-DIV-FLD-0088-2023-20708/E&CC dated 30.09.2023 on the above-mentioned subject proposal, seeking prior approval of the Central Government under Section-2 of the Forest (Conservation) Act, 1980. After the examination of the proposal, following information is required to be submitted for further necessary action in the matter:

- i. The User Agency has not provided the details of the past approved proposal in the Form-A Part-I under column B (1) online.
- ii. KML file of the earlier diverted area i.e. 85.201 ha and CA land provided in respect of the previous approval.
- iii. Status of the CA carried out in respect of the previous approval along with survival%, expenditure incurred and copy of the notification of the said land as protected forest as per the condition no. (ii) of approval letter dated 28.09.1990.
- iv. As per the provisions of the FCA comprehensive guideline Chapter 7 under Para 7.8 (I) (d) "Any proposal for diversion of forest for mining involving any forest land in respect of which diversion has been approved earlier will invariably be submitted along with the present status of compliance of the conditions of all previous FCs duly certified by the concerned Regional Officer of the MoEF&CC". But in instant case duly verified compliance reports from concerned Regional Office, on the condition stipulated in Stage-II approval have not been received. The same may be submitted by the State.
- v. The proposal is for expansion of earlier approved area of 85.201 ha vide Ministry's letter dated 28.09.1990 (pg. 83-84/c). The State has provided the status of the reclaimed land. However, how much land out of 85.201 ha has

/56375/2023

been reclaimed it is not clear. Further, if the already diverted land has been de-coaled and reclaimed then why it has not been handed over to the SFD. If the land is in the possession of the UA then the State Government Shall ensure that NPV of the entire forest land within the lease area shall be deposited as per the Ministry's Guidelines dated 06.01.2022 read with the letter dated 22.03.2022.

- vi. The State has accepted the Identified degraded notified forest for CA as the user agency has given a proposal stating that within 10 years from grant of forest clearance, it will hand over non-forest afforested equivalent forest area proposed for diversion in MCL mines area of Odisha. The user agency has furnished an undertaking duly signed by the DFO, Angul wherein it was undertaken to hand over the exact extent of afforested non-forest land against the proposed forest land for diversion after 10 years of getting Stage-II approval of the applied project. However, the state has not given following certificate as per the MoEF&CG, GoI Stage-1 approval for Utkal-E Coal Block of M/s NALCO in Angul District dt. 12.03.2021:

- a. State Government issues a certificate that degraded forest land outside notified forests is not available for CA purpose, and
- b. Nodal officer certifies that no afforestation/ plantation has been taken up under any plan/ programme in the degraded notified forest areas proposed for CA in the last 10 years.

In view of the above justification given by the UA the CA land on notified DFL may not be accepted. The clarification may be asked from the State.

- vii. KML file of proposed forest land has been checked on DSS. As per DSS report the KML file of land use (component wise breakup) including safety zone is not available on PARIVESH. The same may be uploaded.
- viii. The status of the safety zone as per the FCA comprehensive guideline Chapter 7 under Para 7.9 in respect of the proposal approved earlier may be provided.
- ix. The name of the proposal from Kalinga OCP to Balram OCP has been changed in 2006 without approval of the Central Government. The justification may be provided.

2. In view of the above, you are requested to submit the above mentioned information at an earliest for further consideration of this proposal.

Yours faithfully,

(Dr. Surabhi Rai)

Dy. Inspector General of Forests
