

## **Specific recommendations of the DFO**

**765 KV D/C Hexa Khandwa-Dhule Transmission line**

**Division Sendhwa, Range Sendhwa & Warla**

**Compartment No. Sendhwa Range- 702, 701, 699, 586**

**Compartment No. Warla Range- 567, 568**

<b>Sr. No</b>	<b>Particular</b>	<b>Specific recommendations</b>
<b>1</b>	Specific recommendations of the DFO with reason for approval of the project.	This project will be used for power transmission to BDTCL Dhule substation from NTPC TPP 1320 MW at Selda under Khargone District. It will become an integral part of Western Region System Strengthening. The proposed transmission line is affecting bare minimum forest land and minimum trees. There will be employment generation during the execution, operation & maintenance of project. The project for diversion of 27.571 Hectare is being forwarded with recommendation for further process.
