

**RECOMMENDATION BY THE CHIEF CONSERVATOR
OF FORESTS, NORTHERN CIRCLE**

The land is proposed for “ Karmatirtha “ at Dabgram- 4 compartment under Salugarah Range of Baikunthapur Division by the Block Development Officer, Rajganj, District Jalpaiguri. The land is just 0.03339 ha and is situated in front of gate of Bengal Safari and near NH- 31 whose GPS readings are 26.791393 N and 88.44908 E. There is no chance of any soil erosion or effect on any wildlife if the proposed project is allowed. Rather it will help people in getting employment opportunity and also will help in awareness of Wildlife Conservation being nearer to Bengal Safari. Hence it is recommended.
