

PART - IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department).

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks.

(While giving opinion the advance comments made by concerned Conservator of Forests or Deputy Conservator of Forests should be categorically reviewed and critically commented upon).

The proposal for diversion of 11.04 hectares of forest land is meant for re-routing a portion of the existing 400 KV D/C Pallatana-Bongaigaon Transmission Line , passing through private deemed forest land over RIST campus in Bhoi District, Meghalaya. It is reported that the plot of land does not fall under the proposed Eco Sensitive Zone of Nongkhylllem Wildlife Sanctuary and is situated at about 20 Kms away from the Sanctuary's boundary. Hence, the proposal is recommended.

Date : 19th May, 2015.

Place : Shillong.
