

Inspection Report

I have inspected the sites of forest land, proposed for diversion of 14.187 ha forest land under Bankura (South) Division, in favor of Powergrid Medinipur Jeerat Transmission Limited for construction of 765 kV D/C (Hexa) Ranchi- Medinipur Transmission line (WB) on 15.11.2018. The said forest land of 14.187 ha is a Protected Forest land and is not a part of National Park or Wildlife Sanctuary. The proposed land for diversion is as per the guidelines of Ministry of Forest & Climate Change, Govt. of India. Therefore, Considering the importance of transfer of bulk power from other states to the State of West Bengal, which in turn will help in Socio- Economic Development of the State, the 14.187 ha forest land may be diverted in favor of Powergrid Medinipur Jeerat Transmission Limited for the construction of 765 kV D/C (Hexa) Ranchi- Medinipur Transmission line (WB).
