

Inspection report of the Divisional Forest Officer, Kasaragod at
Karmmamthody – Kottamkuzhi Road

This road is situating in Karadukka Grama Panchayath connecting Karmmamthody-Kottamkuzhi around 1 KM Forest Road going through the Karadukka Reserve Forest using 0.3 Ha. I have inspected the site on 31.10.2019. For developing the road as requested by the user agency it is seen that there is no need to cut and removal of the trees. This road includes in the working plan and exist before 1980.

This road is being used thousands of peoples residing nearly especially belongs to tribes. There is two ST colony, two SC colony, LP School etc. They are having no substitute roads other than the said road for going to hospitals, schools, Govt. institutions etc.
