

Recommendations

Four Laning of existing NH-17 (New NH -66) from Km 475.040 to Km 502.500 in the state of Goa on under NHDP-III (Patradevi to Karaswada Section on NH-17)

Since the requirement of Forest land is bare minimum and there is no tree cutting involved, area is adjacent to existing NH 17, the diversion of 0.06 ha of Reserved Forest area is recommended to the user agency.
