**SITE INSPECTIOPN REPORT.**

**Subject:** Diversion of 0.38 ha forest land in sy. No. 135, Halathi village, in Kasaba Hobali, Nagamangala Tq, Mandya Disitric for construction of Approach Road to Mallikarjunaswamy Temple in Nagamangala Tq, Mandya District in favour of Deputy Director, Torism Department PES Engineering College Road Mandya-571401. Proposal No. FP/KA/Approach/143949/2021

I have visited the proposed project area on 23/09 /2021 and inspected the project site along with the Range Forest Officer, Nagamangala Range, Nagamangala and Assistant Conservator of Forests, Nagamangala Sub-division, Nagamangala. The said land is C&D class land transferred from Revenue Department to Forest Department. The status of land is identified in Deemed Forest list and I found that there are 7 trees need to cut in the project area. But, it is essential for the construction of Approach Road to Mallikarjunaswamy Temple. Hence it is a suitable area for this project.

No rare and endangered unique species of flora and fauna is found in the proposed area. The project does not affect any monument of historical, recreational of archaeological importance including National Parks and Wildlife Sanctuary.
