

Check list for site inspection by the DFO/CF/CCF:

At present the Site Inspection Report submitted by the DCF level is very sketchy and not convey much to higher officers going for verification of the facts in the field monitoring of the project on a later date as mandated in the guidelines. This is possible only when exhaustive check is carried out at the DCF/DFO level. This would help the higher authorities to verify the facts to arrive at appropriate decisions.

Sl. No.	Particular	Inspection Report By CCF/DFO(T)
1.	Extent in hectares.	22.729
2.	Location (lat-long) of the forest land proposed for diversion.	Forest area under Range Aron and Raghogarh at Compartment No. P-710, P-711, P-712, P-713, P-682, P-683, P-684, P-686, P-687, P-688 Attached Coordinates List
3.	Legal status of the forest land (Protected forest, reserved forests, revenue forest lands or any other forest land)	Protected forests
4.	Demarcation of the area with temporary cairns etc.	Yes
5.	Any signs of encroachment.	No
6.	Any activity already taken up within the forest land or adjoining non-forest land as part of the proposed project by the user agency. Details of action taken against the User agency in case of violation of the FC Act and guidelines there under	No Activity
7.	Status of vegetation. Site quality, species composition etc.	Misc-dry deciduous, Forest Land species- shrubs and weeds.
8.	Importance of area from wildlife point of view. Status of wildlife (density and abundance of important species, bird life reptiles, butterflies and other scheduled animals, any endangered wildlife). Any latest census of wildlife in this area.	No
9.	Endemism of flora/fauna or any other unique ecosystem in the area.	Nil
10.	Current land use. Is this area managed as per prescriptions in the Working Plan and, if not, why?	Area is managed as per Working Plan
11.	Importance of the area from historical or religious point of view.	There is no historical or religious Site.
12.	Any dependent persons/families on this land.	None

14.	Is there any Rehabilitation and resettlement Plan for the persons to be affected? Is there any dissenting voice among the persons proposed to be displaced?	No

15.	Compensatory Afforestation proposed is on forest land of non-forest land. Location of this area, suitability of the area for CA. If in the degraded forest land then what is the current Working Plan prescription for the area ? Distance of the non-forest land for CA from the nearest forest area. Number of patches in case the area should be more than 10 kms.	Plantation is Proposed on the non-forest land received under the scheme. <table><tr><th>No.</th><th>Range</th><th>Survey No.</th><th>Scheme Name</th><th>Area</th></tr><tr><td>1</td><td>Guna South</td><td>913/1/1</td><td>CA Plantation Bajrangarh</td><td>8.800</td></tr><tr><td>2</td><td>Guna South</td><td>938</td><td>CA Plantation Bajrangarh</td><td>14.000</td></tr></table> The proposed area is suitable for tree plantation. The proposed area for alternative plantation is located 350 meters away from the forest area Compartment No RF 137.	No.	Range	Survey No.	Scheme Name	Area	1	Guna South	913/1/1	CA Plantation Bajrangarh	8.800	2	Guna South	938	CA Plantation Bajrangarh	14.000
No.	Range	Survey No.	Scheme Name	Area													
1	Guna South	913/1/1	CA Plantation Bajrangarh	8.800													
2	Guna South	938	CA Plantation Bajrangarh	14.000													
16.	Proposed area should not be part of any protected area. Also distance from the boundary of the nearest protected area should be more than 10 kms.	The proposed area is not a part of any protected area.															
17.	Dependence of tribal's in the area. Whether the rights of the tribal's have been recognized in this area.	No															
18.	Utility of the project, including the people living in close vicinity of the project.	Aaron-Raghogarh Via Bidauria road is a pre-constructed road whose traffic stops during the rainy season due to lesser width and deterioration of the road. Up gradation and widening of the road will facilitate the people and their standard of living will improve because basic facilities like electricity, water, education will be accessible in the lives of the people through the road. Along with this, there will be facility for people to get employment and travel.															
19.	In case of renewal whether all the conditions stipulated in the earlier sanction order have been complied with.	The Aaron-Raghogarh Via Bidauria road is a pre-constructed Road.															
20.	Alternatives examined by the user agency in case of non-site specific projects.	Proposed site is technically required.															
21.	A certificate by the user agency that the forest land requested for diversion for non-forestry purpose is bare minimum.	Certificate attached. In Proposal that is minimum and essential.															
22.	Any scope of saving tree growth while ensuring that the purpose for which the forest land is being diverted is also not adversely affected.	3,677 Trees are likely to be affected in the upgradation of the Aaron-Raghogarh via Vidoriya road. Since at present the width of the road is less and due to the deterioration of the road, it is necessary to upgrade it.															
23.	Any other issue of significance.	No															
24.	Specific recommendations of the DFO with reasons for approval of the project.	Forest land affected in the upgradation of Aaron-Raghogarh via Vidoriya road is 22.729 hec. in Madhya Pradesh Road Development Corporation, Gwalior is recommended to be given on use for diversion.
