

RECOMMENDATION

Widening and improvement of NH-6 (Selling – Dulte sector) falling within forest land of Champhai Forest Division is recommended by the undersigned due to the following reasons:

1. Requirement of forest land is unavoidable as the existing road is to be widened.
2. Extent of forest land required for diversion is barest minimum.
3. No rare, endemic or threatened species of flora and fauna are found to exist in the area proposed for diversion.
4. The road is a lifeline for the eastern belt of the State which is going to be significantly benefited directly by Saitual, Khawzawl and Champhai District population..
