

### PART-III

(To be filled by the concerned Chief Conservator of Forests)

1	Whether site, Where the forest land involved is located has been inspected by concerned Chief Conservator of Forests (Yes), if yes, the date of inspection and observation made in form of inspection note be enclosed.	Yes, site was inspected on 18.03.2021
2	Whether the concerned Chief Conservator of Forest agreed with the information given in Part-II and the recommendation of Dy. Conservator of Forests.	I agree
3	Specific recommendation of concerned Chief Conservator of Forests for acceptance of otherwise of the proposal with detailed reasons.	The proposed Transmission Line passes through very good forest patch rich in Wild Life. So the right of way of Transmission Line should be completely cleared of tree growth and converted into permanent grassland to augment the habitat for Wildlife at the cost of User Agency. This will help to reduce the agriculture crop damage by Herbivores in the surrounding areas. Recommended for Acceptance

Place - Chandrapur

Date - 22/03/2021
