

RECOMMENDATION

(Diversion of 77.1391 Ha forest to be affected by a portion of the proposed widening and improvement of NH-202: Yaingangpokpi to Nagaland Road Section (Laikot to Finch Corner) falling under Ukhrul Forest Division by NHIDCL)

The proposal for widening and improvement of NH-202 into two laning is for improvement of road connectivity from Yaingangpokpi to Ukhrul, then to Nagaland. Proposed forest area for diversion is barest minimum and no alternate possible alignments are seen. **The proposal for diversion of 77.1391 hectare unclassed forest land under Ukhrul Forest Division, Manipur is recommended subject to the the condition that adequate measures to check soil erosion and land slide may be taken up at the project cost.**
