

Recommendation of the Conservator of Forests

{Diversion of 0.416 hectare of forest land in Heingang RF for construction of Water Supply Scheme at Kairang Muslim Village under Central Forest Division by the PHE Department, Government of Manipur}

Considering the need for supply of drinking water to surrounding people, the proposal of the User Agency for diversion of 0.416 Hectare forest land in Comp. No.3, Khabam Block, Heingang RF under Central Forest Division is recommended with the following conditions:

- a) The User Agency shall demarcate the diverted area by erecting boundary pillars.
- b) User Agency shall pay costs of extraction of the trees to be affected.
- c) Protection walls/Retaining walls shall be constructed at the project costs at vulnerable points to prevent land slide and soil erosion.
