

PART-II
(TO BE FILLED BY CONCERNED DEPUTY CONSERVATOR OF FOREST)

Serial No of the proposal:

Dated:

30/23

1	2	3
7.	Location of the Project/Scheme	Diversion of 120.266 Hac Forest Land for Construction of 132 KV Khupi- Bomdila transmission line by Power grid Corporation of India Ltd.
i)	State/Union Territory	Arunachal Pradesh
ii)	District	West Kameng
iii)	Forest Division	Bomdila Forest Division
iv)	Area of forest land proposal for diversion (in ha)	120.266 Hac
v)	a)Legal Status of Forest	Unclassed State Forest
	b)Forest Type	(Eco Class V) East Himalayan Mixed Coniferous Forest.
vi)	Density of vegetation	0.3
vii)	Species- wise (scientific names) and diameter class wise enumeration of tree (to be enclosed. In case of irrigation/Hydel project enumeration at FRL, FRL-2 meter & FRL-4 meter are to be Enclo.	Enclosed
viii)	Brief note on vulnerability of the forest area to erosion.	The area proposed for diversion is not vulnerable to erosion.
ix)	Approximate distance of proposed site for diversion from Boundary of forest.	The proposed site for diversion is through unclassified state Forests. The approximate distance of proposed site form nearest protected area (Eaglenest Wildlife Sanctuary) i.e Aerial distance 11.2 Km Tenga Reserved forest is 0.25 km and (shown in Map Annexure 'A')
x)	Whether forms part of National park, wild life sanctuary, biosphere reserve, tiger reserve, elephant corridor, etc (If so, the details of the area and comment of the Chief Wild Life Warden to be annexed)	No
xi)	Whether any rare/endangered/unique species of flora and fauna found in the area if so details thereof.	Enclosed
xii)	Whether any protected archeological/heritage site/defence establishment or any other important monuments is located in the area. If so, the detail thereof with NOC from competent authority, if required.	No
8.	Whether the requirement of forest land as proposed by the user agency in col-2 of part-I is unavoidable and barest minimum for the project. if no, recommended area items wise with details of alternatives examined.	Yes, it is unavoidable and barest minimum for the project. The location is more technically viable for the User Agency and involvement of forest area is also lesser than the alternate sites considered.
9.	Whether any work in violation of the act has been carried out (Yes or No). If yes details of the same including period of the work done action on erring officials.	No
i)	Whether work in violation is still in progress	NA
10	Details of compensatory Afforestation Scheme	Enclosed
i)	Details of non- forest area/degraded forest area indentified for compensatory Afforestation, its distance from adjoining forest, number of patches, size of each patch.	Enclosed

ii)	Map showing non- forest/degraded forest area indentified for compensatory Afforestation and adjoining forest boundaries.	Enclosed
iii)	Detailed Compensatory Afforestation scheme including species to be planted implementing agency, time schedule, cost structure.	a)Detailed compensatory afforestation scheme: Enclosed. b) Species to be planted:- Enclosed c) Implementing Agency: - Forest Department. d) Time Schedule: As per guidelines (Feb & March). e) Cost Structure : Rs 8,80,77,000/-
iv)	Total financial outlay for compensatory Afforestation scheme.	Rs 8,80,77,000/-
v)	Certificates from complete authority regarding suitability of area identified for compensatory Afforestation and from management point of view (To be signed by the concerned Deputy Conservator of Forest).	Enclosed
11.	Site inspection report of the DCF (to be enclosed especially highlighting facts asked in Col.7 (xi, xii), 8 and 9 above.	Enclosed
12.	Division/District profile	Bomdila Forest Division
i)	Geography area of the District	Area of West Kameng District 7422 SqKm
ii)	Forest area of the District	The division comprised of mostly USF and 1263.5 Ha of VFR (Rurang=806.0 Ha, Khupi/Palizi/Ramada= 187.5 Ha, Khoitam=270.0 Ha).
iii)	Total forest area diverted since 1980 with No. of cases	i). Total Forest Area Diverted/Approved 11 Nos = 1057.825 Hac

iv)	Total Compensatory Afforestation stipulated in the District/ Diversion since 1980 on.	
	a) Forest land including penal Compensatory Afforestation.	3299.92 hac
	b) Non- Forest Land	CA proposed only in degraded forest land.
v)	Progress of Compensatory Afforestation as on date.	858.72 Hac
	a)Forest Land	Progress Uptodate
	b) Non- Forest Land	NA
13.	Specific recommendations of the DCF for acceptance or otherwise of the proposal with reason.	Recommended for acceptance with the following safeguards:- The user agency should submit a plan of action for preventing any sort of environment degradation by the workers engaged in construction activities. It is often seen that the migrant workers engaged in construction works indulge in hunting of birds and small animals beside cutting trees for fuel. Sometimes the workers also indulge in illegal timber business during weekends and holidays. The user agency should maintain a strict control over their work force. Provision may be made beforehand for alternative fuel for heating and cooking purpose for workforce, engagement of the workers in some activities during weekends and holidays when they are most likely to indulge in hunting/illegal activities etc.
