(To be filled by the concerned Deputy Conservator of Forests)

State serial No. of proposal: - GJ-0426/2021

		Request for Granting Permission for laying proposed 90mmØ PE Gas Pipeline Across & Along Service Road of NH-56 (Dahod - Alirajpur) in Dahod (CA-07) of Dahod GA to Supply Natural Gas through MDPE to various segment i.e. Domestic, commercial in Taluka Dahod of Dist. Dahod. (280.80 Sq. mtr. i.e. 0.0281 Ha)
(i)	State/Union Territory	Gujarat
(ii)	District.	Dahod
(iii)	Forest Division	Social forestry Division, Dahod
(iv)	Area of forest land proposed for diversion (in ha.)	(280.80 Sq. mtr. i.e. 0.0281 Ha)
(v)	Legal status of forest	Protected Forest
(vi)	Density of vegetation	not too much, Road Side Plantations
(vii)	Species-wise (scientific names) enumeration of trees (to be enclosed. In case of irrigation/ hydel projects enumeration at FRL, FRL-2 meter & FRL-4 meter also to be enclosed.)	There is no any tree to be felled.
(viii)	Brief note on vulnerability of the forest area to erosion.	Not prone to erosion
(ix)	Approximate distance of proposed site for diversion from boundary of forest.	Preferably on the extreme edge of boundary
(x)	Whether forms part of National Park, wildlife sanctuary biosphere reserve, tiger reserve elephant corridor, etc. (If so, the details of the area and comments of the Chief Wildlife Warden to be annexed).	
(xi)	Whether any rare/endangered/ unique species of flora and fauna found in the area- if so details thereof.	

/heritage site/ defense establishment or any Other important monument is located in the area. if so, the details thereof with NOC from competent authority, if required. Whether the requirement of forest land col. 2 of Part-I is unavoidable and barest minimum for the project as proposed by the user agency. If no, recommended area item-wise with details of alternative examined. Details of alternatives examined.			
col. 2 of Part-I is unavoidable and barest minimum for the project as proposed by the user agency. If no, recommended area item-wise with details of alternative examined. Details of alternatives examined. Period of work done, action taken on erring officials. Whether work in violation is still in progress 10 Details of compensatory Afforestation scheme: (i) Details of compensatory Afforestation scheme: (i) Details of degraded forest area identified for compensatory Afforestation, its distance from adjoining forest, number of patches, size to be diverted under the control of each patch. (ii) Map showing non-forest/ degraded forest area identified for compensatory Afforestation and adjoining forest boundaries. (iii) Detailed compensatory Afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc (iv) Total financial outlay required for C.A. and maintenance for next five years. (v) Certificates from competent authority regarding suitably of area identified for compensatory Afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests). 11 Site inspection report of the DCF (to be be redeced) especially highlighting facts		/heritage site/ defense establishment or any Other important monument is located in the area. if so, the details thereof with NOC from competent	
Whether any work in violation of the Act has been carried out (Yes/No). If yes, details of the same are including Period of work done, action taken on erring officials. Whether work in violation is still in progress 10 Details of compensatory Afforestation scheme: (i) Details of degraded forest area identified for compensatory Afforestation, its distance from adjoining forest, number of patches, size to be diverted under the control of each patch. (ii) Map showing non-forest/ degraded forest area identified for compensatory Afforestation and adjoining forest boundaries. (iii) Detailed compensatory Afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc (iv) Total financial outlay required for C.A. and maintenance for next five years. (v) Certificates from competent authority regarding suitably of area identified for compensatory Afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests). Attached with the proposal.	3	col. 2 of Part-I is unavoidable and barest minimum for the project as proposed by the user agency. If no, recommended area item-wise with	yes the narrow strip selected is shortest possible and cannot be avoided
Act has been carried out (Yes/No). If yes, details of the same are including Period of work done, action taken on erring officials. Whether work in violation is still in progress 10 Details of compensatory Afforestation scheme:- (i) Details of degraded forest area identified for compensatory Afforestation, its distance from adjoining forest, number of patches, size to be diverted under the control of each patch. (ii) Map showing non-forest/ degraded forest area identified for compensatory Afforestation and adjoining forest boundaries. (iii) Detailed compensatory Afforestation scheme including species to be planted, implementing agency, time schedule, cost structure, etc (iv) Total financial outlay required for C.A. and maintenance for next five years. (v) Certificates from competent authority regarding suitably of area identified for compensatory Afforestation and from management point of view. (To be signed by the concerned Deputy Conservator of Forests). Attached with the proposal.		Details of alternatives examined.
