

PART – IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department)

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks.

The proposed road will cover one of the most unreachable parts of the state inhabited by native tribes. This road will connect the undeveloped western part of the State of Manipur with Assam. Due to the lack of all-weather roads, crucial development works including health infrastructures could not be taken up properly in this region of the State. Once completed, the road will benefit the inhabitants of the area and their economic and social development will be accelerated.

The project proposal may be approved.

Imphal, the 16th February, 2022
