

Recommendation of D.C.F. Bilaspur, HP

FULL TITLE OF THE PROJECT: Diversion of 1.8945 hectare of forest land in favour of HPPWD for the construction of link road from Sihra to Kahvi Km 0/00 to 3/330 within the jurisdiction of Bilaspur Forest Division.

FILE NO. : FP/HP/Road/31585/2018

DATE OF PROPOSAL: 12.06.2018

As per user agency, the total length of this road is 0/0 to 3/330 KM passing through the forest area which has already been constructed a long time ago by the local people/ Panchayat, in violation of FCA, 1980 with a formation width of 4.00 meter. The construction of this road will provide all weather connectivity to the villagers of this village as well as adjoining villages. There is no other alternative route to construct the road. The private land is also not available as the land holding is very small and all the waste land in District Bilaspur is forest land as Notification dated 15.01.1952 issued by the Chief Commissioner, Bilaspur State.

As such this road has been proposed to be constructed in the forest land which is unavoidable and barest minimum. Hence, recommended.
