	<ol style="list-style-type: none"> 1. No damage to be done to the trees, which are falling in the shoulder width under the supervision of the Forest Range Officer. 2. No trees are falling in the proposed area which is taken for black top road of width 3.75 Meters. Hence no felling of trees is required. 3. Since this area is prone for encroachment, by the villagers of Reddypally and Kanakanoor lot of publicity and awareness is required for which publicity and awareness boards are to established. Along the road and on the village premises. A total of 50 boards can be put up for awareness generation & publicity. The design and specification of which will be provided by the Forest Department and the establishment cost to be borne by the User Agency. 4. In order to clearly demarcate the forest area and to avoid any further encroachment, boundary pillars are to be established clearly where ever required in Reddypally and Kanakanoor Villages. 5. The proposed project will not adversely affect any flora and fauna.
