

## RECOMMENDATION

The Executive Engineer, WRD, Lower Pennaiyar Basin Division, Villupuram -4 has seeking prior permission of Central Government under Section 2 Forest (Conservation) Act, 1980 for diversion of 0.186 ha in T.Edaiyar RF ( 0.065 ha), Iruvelpattu RF ( 0.103 ha) & Tiruvennainallur RL ( 0.018 ha) for implementation of the project for re-construction of dilapidated head sluice, bed dam, retaining wall & culvert in Malattar channel at 12 locations in Villupuram Division vide their online uploaded proposal No : FP/TN/IRRIG/51078/2020.

I inspected the project area on: 22.06.2023. During the field visit, the District Forest Officer, the Range staffs & the User agency were there. I found the User agency proposal is useful to the local farmers hence it is recommended. The forest area involved in the project is as follows.
