1	Whether site, where the forest land involved is located has been inspected by concerned Chief Conservator of Forests (Yes/No). If yes, the date of inspection and observations made in the form of inspection note to be enclosed.	No. However, I agree with the field inspection made by the Deputy Conservator of Forests, Chitradurga Division, Chitradurga.
2	Whether the concerned Chief Conservator of Forests agree with the information given in Part-II and the recommendations of Deputy Conservator of Forests.	I agree with the information given in Part-II and recommendations of the Deputy Conservator of Forests, Chitradurga Division, Chitradurga.
3	Specific recommendation of concerned Chief Conservator of Forests for acceptance of otherwise of the proposal with detailed reasons.	Since the diversion of forest land over an extent of 0.1981 ha as sought for by the user agency is barest minimum and quite genuine. Moreover, the construction of Break Pressure Tank (BPT) and raising main & Gravity Main Pipeline under AMRUT project from Vani Vilas Sagar source is aimed to provide drinking water to the common people. Hence, the diversion proposal may be considered as per the section 2 of the Forest (Conservation) Act, 1980.
