

**RECOMMENDATION**

The widening and improvement of Yaingangpokpi-Nagaland road section of NH-202 into two laning with paved shoulder of 0.000km from Laikot to Finch Corner 30.970 km in the state of Manipur on EPC mode by NHIDCL would improve the socio-economic profile of the people in an around Ukhrul District. The proposed area is unavoidable and barest minimum.

So, it is recommended that forest land proposed to be diverted, may be made available for the construction of the road.
