

RECOMMENDATION NOT BELOW THE RANK OF DCF

(For the Forest land to be diverted under FCA)

Name of Project: : Diversion of 74.2490 Ha. Forest Land In Favour Of RDSA MINING LLP For Opencast Marble Mining in Revenue Village - Danta, Tehsil - Pipalkhunth, District – Pratapgarh , Rajasthan.

Specific recommendation for acceptance or otherwise of the proposal.

Site is having regular flora & fauna of this area. The proposed diversion site is located on extreme north of Gamargarh Panadiya forest block . Access point for mining purpose will not disturb forest area other than proposed atrea. Ptatapgarh is least developed district of India. Economic activities in the form of mining can potentially bring some regular employment oppertunitis in this region. So keeping Govt. as well as public interest in mind, said project is recommended by me strictly binding with forest conservation act 1980, its subsequent rules and other statutory obligations.

I recommend for acceptance of the proposal in public interest.
