v)	Progress of Compensatory Afforestation as on (date).....	:	
	a) Forest Land	:	280.04
	b) Non-Forest Land	:	168.91
13	Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons.	:	As this proposal falling in less than 10 Kms. from the Papikonda National Park area, Environment Impact Assessment (EIA) is required for diversion as per the Hon'ble Supreme Court directions and Eco-Sensitive Zone guidelines. And also Very less number of households existing in the Road proposed villages. Providing BT Road into interior area will open doors to the illegal encroachers to encroach upon. With limited number of staff it is very difficult to stop encroachments and illegal activities of local tribes. Hence, not recommended.
