

Site Inspection report of the Deputy Conservator of Forests, Kundapura Division, Kundapura for the proposed cultural, spiritual and educational theme park and a global monument Complex on Swami Vivekananda in favour of Sri Ramakrishna Sharada Ashrama Trust, Bailur, Karkala Taluk, Udupi District.

Inspected the proposed area on 16-01-2019 along with the Range Forest Officer, Karkala and Assitant Conservator of Forests, Moodabidre. The Proposed area falls under the Deemed Forest as per directions of the Hon'ble Supreme Court of India in their Interim Order dated: 12-02-1996 in the Writ Petition Civil No. 202/1995. User agency requested for diversion of 4.249Ha. proposed for cultural, spiritual and educational theme park and a global monument Complex on Swami Vivekananda.

I have perambulated the area and cheked it my satisfaction, It is a single rocky out crop without any vegetation. The location doesn't form part of archeological monument or defense establishment. I did not observe presence of any rare endangered species of flora and fauna or any historical heritage site in the Forest area proposed for diversion.

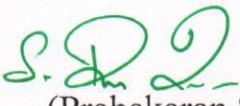

On inspection of the site, it is found that, the land required by the User agency is in a Deemed Forest area measuring 4.249 Ha.

The requirement of Deemed forest area (land) as proposed by the User agency in Col. 2 of Part-I is unavoidable and it is a barest minimum requirment for the project.

The User agency has to pay the NPV and also User agency has to bear the cost of raising of CA plantation. It is a single rocky out crop without any vegetation. Hence recommended for diversion. Abstract of the area to be diverted is as follows;

Sl.No	Village	Deemed Forest land (Ha.)
01	Kukkundoor Village Sy.No. 283	1.562
02	Kukkundoor Village Sy.No. 283	0.364
