**SITE INSPECTION REPORT OF GELEKY DEVELOPMENT
PROJECT OF CF, EAC, JORHAT**

The proposal for replacement of existing pipeline under Geleky Development Project submitted by ONGC, Nazira is located inside Geleky Reserve forest under Sivasagar Division was inspected by the undersigned along with, DFO, Sivasagar Division and ONGC Officers, Nazira on **06.02.2020** and report thereof furnished as under:

The proposed diversion area is 4.43 ha which is in three segments such as segment -1 (1.87 ha), segment -2 (2.1494 ha) and segment -3 (0.4096 ha) and falls under Geleky Reserve forest under Sivasagar Division. During my inspection no any rare/endangered/unique species of flora and fauna was noticed in the proposed area of diversion. However, there are few trees of different species are available in proposed sites of diversion.

The proposed site is neither a part of any Protected Area nor falls within the Eco-Sensitive Zone of any Protected Area with within Assam. Further no any water body is seen in and around the proposed site. The proposed project is linear project aiming replacement of existing pipeline under Geleky Development Project.
