The very site was inspected on dated 02.02.2022, the proposal being in process. I agree with the inspection report (dated 01.02.2022) of Divisional Forest Officer, Bhagalpur Forest Division, Bhagalpur.

The project is for the use of forest land by NH-80 from Zeromile Bhagalpur to Mirzachowki Ch. 132.895 to 190-150 KM in the State of Bihar The land required for the up gradation, widening and Strengthening work for 2-lane with Paved shouldering of Existing National Highway-80 project is very less and is necessary for development of the State. Therefore the required land is recommended for diversion under the provision of Forest (Conservation) Act, 1980
